

2nd International Spring training camp for historic kart drivers at Cerrina Race Track

Sport, sunshine and social contacts near Torino

Invitation to all enthusiasts from France, Switzerland Germany and Italy or even further away

Organised by: **HpEngineering and Karting Diffusion: cost 110 EUR for 2 days; no licence required**

insurance coverage organised by the track.

On the nearly unchanged World Championship track of 1971 at the outskirts of Torino / Italy.

Normally the track is only open to rental karts. On special request by Hp.Weidlich and thanks to some

contacts in the small world of historic karting in Europe, the owner of the track agreed to open the track

for 14 stints of non competitive training sessions during 2 days on the weekend of **13 and 14 April 2024**.

Eligible karts: homologated or (home-) built between 1956 to 2004 in safe driving condition, 135cc max

Direct drive and gearbox karts, dynamic testing and static display

Maximum karts on the track: 20 due to noise restrictions; exhaust system „New Vevey“ or newer.

In case of too much speed variance, the karts will be split in 2 groups.

Check your chassis settings

Run-in your engines

Adjust the carburation

Learn about your tires

Practice your regularity driving ability (lap time system available on the track)

Get your body to accommodate to the stress of accelerations

Driver coaches are available on the track for theory and practical driving.

Technicians are available in the paddock for technical hints and problem solving

Camping and motor homes are allowed

Recommended hotels nearby

Lunch in pizzeria next to the track

Dinner in a restaurant in town

Sanitary facilities can be used

Time table: Saturday and Sunday

09:00 - 12:30 3 stints of 15 min

14:00 - 18:00 4 stints of 15 min

This represents 3.5h driving time

Arrival and set-in on Thursday or Friday is welcome

see enclosed list

We are glad to have a sporting event on the track

and an amicable time with a meal together.

every hour the historic karts will have a slot of 15min

during the other 45min the track is open to rental karts

in case rental kart demand is low, historic kart run time

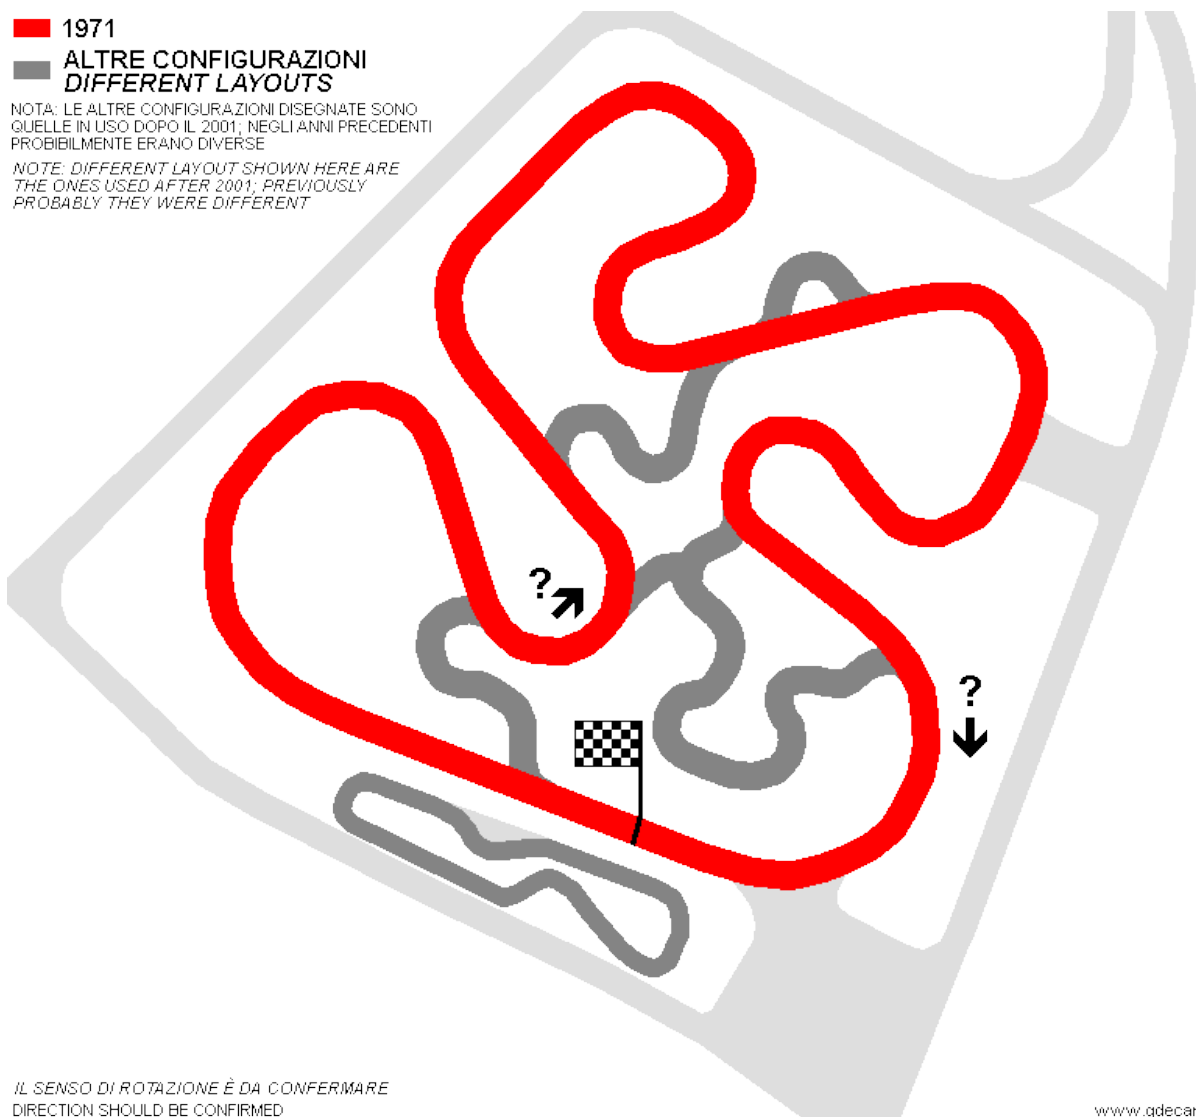

can be increased or track cleaning performed
